

NUEVO LEÓN

The leading industrial and 4.0 State in **Mexico**

DOING BUSINESS IN NUEVO LEON - SEMINARS -

Nuevo Leon, the leading industrial and 4.0 State in Mexico, will showcase at this seminar its unique ecosystem of multinational companies, clusters, government agencies, industrial parks and R&D centers. The 800 m² Nuevo Leon Pavilion invites you to learn more about the preferred foreign direct investment destination in Mexico, home to global companies like Siemens, Daimler, Liebherr, KIA, Lego, and Cemex.
