

	<b>Lathes</b> (Halls 2, 16, 17, 26) Lathes, automatic lathes, threading machines
	<b>Gear cutting · Drilling machines</b> (Halls 2, 3) Gear cutting and finishing machines / Planing, shaping, slotting and broaching machines / Drilling and boring machines
	<b>Precision tools · Workpiece and tool holders</b> (Halls 3, 4, 5, 6) Precision tools / Workpiece and tool holders
	<b>Metrology · Quality control</b> (Hall 5) Measuring and testing equipment / Quality management
	<b>Surface technology · Software · Automation · Tool grinding machines</b> (Hall 6) Machines and systems for use in surface technology / Computers, peripherals and software / Assembly, handling and industrial robots · Automation for storage and transportation, materials handling / Tool grinding machines, abrasive tools and products / Dies and moulds
	<b>Refrigeration, lubrication · Waste disposal · Mechanical components, Accessories</b> (Halls 6, 7) Waste disposal, safety and environment / Refrigeration, lubrication / Workshop equipment / Mechanical components, accessories / Materials / Hydraulic and pneumatic components
	<b>Grinding machines · Deburring machines · Heat treatment</b> (Hall 11) Grinding machines, abrasive tools and products / Honing, lapping and polishing machines / Deburring machines / Heat treatment equipment
	<b>Milling machines · Machining centers · Flexible manufacturing</b> (Halls 2, 12, 13, 26, 27) Milling machines / Machining centers / Flexible manufacturing cells and systems / Micro machining / Rapid prototyping
	<b>Industrial electronics</b> (Hall 25) Industrial electronics / Controls, drives / Electrical and electronic equipment for machine tools
	<b>EDM</b> (Hall 25) Electroerosive and electrochemical machining
	<b>Sheet metal working machines · Forming machines</b> (Halls 14/15, 16) Sheet metal working machines, shearing, nibbling and punching machines, laser / Presses, forging machines, metal forming (massiv) machines / Bar, section and tube working machines / Wire forming and production machines for bolts, nuts, screws, rivets / Machines for marking and engraving / Welding, cutting and gas cutting machines
	<b>Sawing machines</b> (Hall 16) Sawing machines / Abrasive cutting-off machines / Sawing blades
	<b>Transfer machines and special machines · Unit heads</b> (Hall 17) Transfer machines and special machines / Unit heads
