

	Lathes (Halls 2, 12, 16, 17, 26, 27) Lathes, automatic lathes
	Transfer machines and special machines · Unit heads (Hall 17) Transfer machines and special machines / Unit heads
	Milling machines · Machining centers · Flexible manufacturing (Halls 2, 12, 13, 26, 27) Milling machines / Machining centers / Flexible manufacturing cells and systems
	Drilling machines · Planing, shaping, slotting and broaching machines (Hall 13) Drilling and boring machines / Planing, shaping, slotting and broaching machines
	Precision tools · Workpiece and tool holders (Halls 3, 4, 5, 6) Precision tools / Workpiece and tool holders
	Metrology · Quality control (Hall 5) Measuring and testing equipment / Quality management
	Refrigeration, lubrication · Waste disposal · Mechanical components, Accessories (Halls 6, 7) Waste disposal, safety and environment / Refrigeration, lubrication / Workshop equipment / Mechanical components, accessories / Materials / Hydraulic and pneumatic components
	Surface technology · Automation · Tool grinding machines (Hall 6) Machines and systems for use in surface technology / Assembly, handling and industrial robots · Automation for storage and transportation, materials handling / Tool grinding machines, abrasive tools and products / Dies and moulds
	Grinding machines · Deburring machines · Heat treatment (Hall 11) Grinding machines, abrasive tools and products / Honing, lapping and polishing machines / Deburring machines / Heat treatment equipment
	Sawing machines · Threading machines · Welding, cutting and gas cutting machines (Halls 15, 16) Sawing machines / Abrasive cutting-off machines / Sawing blades / Threading machines / Welding, cutting and gas cutting machines
	Sheet metal working machines · Forming machines (Hall 14/15) Sheet metal working machines, shearing, nibbling and punching machines, laser / Presses, forging machines, metal forming (massiv) machines / Bar, section and tube working machines / Wire forming and production machines for bolts, nuts, screws, rivets / Machines for marking and engraving
	EDM (Hall 15) Electroerosive and electrochemical machining
	Industrial electronics · Software (Hall 25) Industrial electronics / Controls, drives / Electrical and electronic equipment for machine tools / Computers, peripherals and software
	Gear cutting (Hall 26) Gear cutting and finishing machines
