Second Announcement

Science to Market

A Discussion and Partnering Conference for Experts from Academia, Biotechnology and Pharmaceutical Industry

October 6 – 7, 2009
Convention Center, Hannover, Germany

Organised by
the European Association of Pharma Biotechnology (EAPB)
in cooperation with BIOTECHNICA
Organiser

The European Association of Pharma Biotechnology is a non-profit association and the representative and central network to promote and develop Pharma Biotechnology in Europe, linking academia, industries and regulatory bodies. It is dedicated to the advancement of biotechnology in pharmaceutical sciences, specifically as applied to industrial materials, processes, products and their associated problems. Its members constitute scientists employed in industry, government and university laboratories, biotech companies and scientific organisations.

Scientific and Planning Committee
Dr. Karoline Bechtold-Peters (Boehringer-Ingelheim Pharma GmbH & Co. KG, Biberach/Riss, GER)
Dr. Fabio Carli (Università di Trieste, ITA)
Dr. Jörg Knäblein (Bayer Schering AG, Berlin, GER)
Dr. Marion Kronabel (EAPB Managing Director, Heidelberg, GER)
Dr. Henrik L. Luesen (Tytonis BV, Alkmaar, NED)
Dr. Barry D. Moore (XstalBiol, Glasgow, GBR)
Dr. Inge Mühldorfer (Rentschler Biotechnologie GmbH, Laupheim, GER)
Dr. Rainer Müller (Freie Universität Berlin, GER)
Dr. Sven Stegemann (Capsugel AG, Bornem, BEL)
Prof. Dr. Heiko E. von der Leyen (Hannover Clinical Trial Center GmbH, Hannover, GER)
Dr. Wieland W. Wolf (Rentschler Biotechnologie GmbH, Laupheim, GER)

Cooperation partner

"Turning ideas into value"– this is the mission statement of BIOTECHNICA 2009. The European flagship event for biotechnology takes place from 6 to 8 October 2009 in Hannover. It embraces every segment of biotechnology - from basic biotechnology and equipment, bio-informatics and services to the five major areas of application: pharmaceuticals/medicine, food, agriculture, the chemical industry and the environment.
Aim & Scope

As a European event, the “Science to Market” EAPB Conference aims to promote partnership between academic settings and industry. The goal is to enhance the economical output of scientific research and direct them into marketable technologies and biopharmaceutical products. Recent biotechnological developments that may be of economic interest shall be identified and transfer of the academic know-how into product development shall be facilitated.

Therefore, European academic research scientists from universities and research institutions as well as representatives of the biotech and pharmaceutical industry are invited to exchange ideas that will lead to successful co-operations.

Format

To achieve the conference goals, the congress offers plenary lectures on state-of-the-art technologies and findings in biopharmaceutical developments as well as poster presentations on current projects and networking opportunities.

Poster Contributions

Poster presentations on scientific pharmaceutical drug projects and novel technologies in the fields of biotechnology and pharmaceutical drug development are welcome.

The posters shall be presented by oral five-minutes-presentations (two slides on science and business opportunity) and in addition by traditional posters (paper size A0 high format) to facilitate networking between academic/research and industrial partners.

You are kindly invited to submit your abstract electronically by September 20th, 2009 via e-mail to the conference manager Dr. Inge Mühldorfer (inge.muehldorfer@rentschler.de), indicating the preferred poster session.

Poster session 1: “Therapeutics and diagnostics”
(1a) Novel biopharmaceuticals and diagnostics
(1b) 2nd generation biopharmaceuticals
(1c) Novel vaccines and gene therapy developments

Poster session 2: “Novel technologies”
(2a) Novel biopharmaceutical drug formats
(2b) Novel Up-and Downstream developments
(2c) Novel biopharmaceutical drug delivery and analytical tools

Requirements for one-page abstract

Please provide a one-page abstract typed in a single-spaced format using a 12-point serif font (e.g. Arial, Times New Roman, etc.). Do not format the document using underlining, italics, or right justification. Do not use sub/superscripts or Greek lettering (i.e. spell out alpha, beta, etc.). Please save it as a Microsoft Word (*.doc) document or an ASCII (*.txt) text file. Please include the following items:
- **Title:** The title that you propose for your presentation as you would like it to appear in the program which will be posted at the conference WEB site and on the brochure.

- **Authors and presenter:** Name/title of author(s). The individual who will make the presentation shall be marked.

- **Institution/Company:** Name of the institution/company represented by the authors. The contact address of the presenter shall be indicated.

- **Abstract** is usually between 150 to 300 words long.

With the registration the authors agree with the publication of their abstracts on the EAPB website.

**Sponsorship Options**

Any sponsoring of the conference is welcome. For every 1000 € sponsoring you will receive free entrance for one participant. For a total of either 1000 €, 2000 € or 5000 € sponsoring, you will be indicated as silver, gold or platinum sponsor, respectively, in the conference programme, on the EAPB website, and on the conference banner.

If you decide to become a sponsor, please contact the Managing Director of the EAPB, Dr. Marion Kronabel (Phone: + 49(0)6221-3893985; Email: Marion.kronabel@eapb.org)

**Registration**

To register for “Science to Market“ please visit the website of BIOTECHNICA http://www.biotechnica.de/59794 and submit one registration form per participant. From the registration form you will see the conditions for participation.

- Participation on October 6 and 7, 2009
- Trade fair admission tickets
- Coffee Breaks
- Social event on October 6, 2009

Alterations to your registration must be made in writing and sent to the Conference Secretariat.

**Conference Registration Fee**

General Information

Conference Badge/ Material
Each participant will receive a name badge and a full set of conference material upon your arrival at the Registration Desk within the Convention Center in Hannover. For security reasons all participants are requested to wear their name badge during all the conference activities.

Disclaimer/ Liability
The organising Committee and the Conference Secretariat accept no liability for any injuries/losses incurred by participants and/or accompanying persons, nor loss of, or damage to, any luggage and/or personal belongings.

Entrance Ticket/ Confirmation
You will receive your BIOTECHNICA Conference ticket together with your confirmation of participation upon the reception of payment. You will find detailed information about your payment possibilities within the registration form.

Language
English will be the language of the congress. No simultaneous translation will be provided.

Date & Venue
October 6 – 7, 2009
Messegelände
30521 Hannover
GERMANY

This conference will take place in parallel with BIOTECHNICA 2009 – 17th International Trade Fair for Biotechnology (www.biotechnica.de)
