

Ticket registration

How it works!

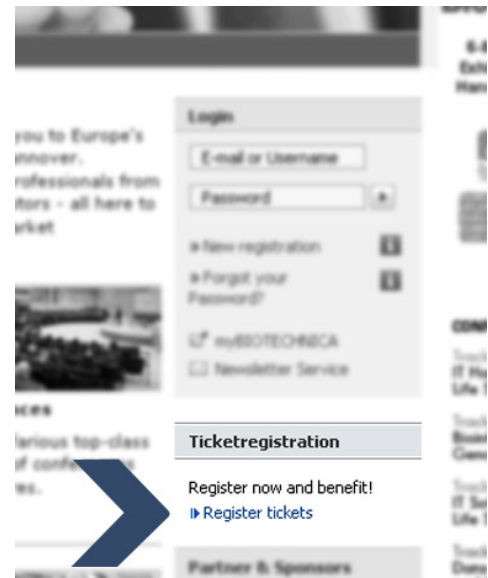

Here you can find information on how to register tickets, that:

- a) were given to you by an exhibitor (paper ticket).
- b) were given by you with a link (e-ticket-code).

Were you given a paper ticket by an exhibitor?

1.)

Click on „Ticket registration“ in the right column at the homepage to open a new window.

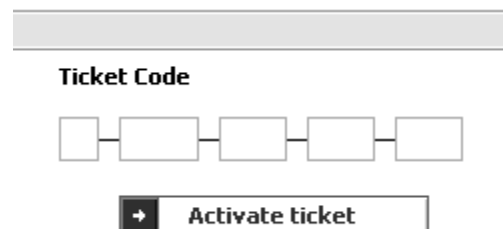

2.)

Log in with your existing online profile or click on the “Create a new profile” link. Be sure to remember your user access information.

3.)

Enter the ticket code (it begins with P ...) at the website of the ticket registration and click „Activate ticket“. You may find the ticket code on the back side of your paper ticket.

Ticket registration

How it works!

4.)

Your ticket is now registered, and a corresponding confirmation is displayed in your browser window.

My Tickets					
Validity	Ticket code	Type	Your host	Send eTicket again	Delete
✓ Mail sent	R-XXXXXXXXXX		Deutsche Messe Test Besucherregistrier	eTicket R-XXXXXXXXXX	
✓ Mail sent	R-XXXXXXXXXX		Deutsche Messe Test Besucherregistrier	eTicket R-XXXXXXXXXX	
✓ registered	P-XXXXXXXXXX		Deutsche Messe Test Besucherregistrier	not available	

Kindly bring your ticket with you.

We are looking forward to welcoming you in Hannover!

Were you given a link with an e-ticket code by an exhibitor?

1.)

In case you don't have an online profile at our website, please register first at the right side of our homepage. Kindly click, "New registration".

After registering, an e-mail will be sent to the address you provided. Please click on the confirmation link in the e-mail. After that, kindly log out again.

Ticket registration

How it works!

3.)

You will be referred to the website of the ticket registration. Your individual e-ticket code appears automatically in the appropriate field in the middle of the page. Now click on "validate Ticketcode".

4.)

Your ticket is now registered, and a corresponding confirmation is displayed in your browser window.

We now send you an e-mail containing your personal ticket in the form of a PDF file attachment.
