## Special Events

### DOMOTEX Middle East – R+T Middle East

#### DESIGNERS CORNER

Architects and designers are welcome to **attend showcases, seminars and displays of design flooring and design sun protection** in the Designers Corner; they will be inspired by a special atmosphere with a special lounge area where the hottest projects in the GCC will be presented.

Attaining a successful response during the 4th edition of DOMOTEX Middle East, the annual seminar on flooring held by the Association of Professional Interior Designers (APID) will again take place at DOMOTEX Middle East 2010 in the Designers Lounge.

The seminar this year again will have prominent speakers and cutting edge topics in sustainability and innovations in flooring and design, bringing together interior designers from the UAE and other GCC countries.

#### creative FLOORING DOMOTEX

Presents the live “how-to” demonstration area, featuring time-saving and quality enhancing techniques and new flooring products. Discover here how to install mixed material combinations on a variety of surfaces including wall-to-wall carpet, wood flooring, carpet tiles and laminate flooring. New for Creative Flooring 2010 are onsite training demos where local installers

participate in a test of speed, skill and expert knowledge. The demonstrations and training sessions will be led by professionals from The Academy of Flooring Skills (TAOFS) from the UK.
