CeBIT PARTNER COUNTRY 2010

The world's No. 1 marketplace for digital business

From 2 to 6 March CeBIT 2010 will open its doors to visitors from all over the globe. Benefit from the unique synergies between the exhibit categories and identify solutions to your individual business requirements. CeBIT is the only trade show worldwide that showcases the complete spectrum of ICT technology. Harness the potential of the world's No. 1 marketplace: Push your business!

### ■ New: Connected Worlds

Following in the wake of "green IT" and "Webciety", CeBIT 2010 will be devoted to the programmatic motto "Connected Worlds". This motto describes the convergence of individual technologies and the integration of international markets (both business and consumer markets). Connected Worlds will be a recurrent theme in all sections of CeBIT 2010. Expand your business horizons!

### ■ CeBIT Global Conferences 2010

Tune into the ideas, innovations and strategies of outstanding business leaders. Look forward to the following line-up of speakers: Stewart Butterfield, Flickr.com; Natalya Kaspersky, Kaspersky Lab; Jon Iwata, IBM Corporation; Russ Shaw, Skype; Mark Kingdon, Linden Lab; B. Kevin Turner, Microsoft Corporation; Dr. Werner Vogels, amazon.com; Adolfo Hernandez, Alcatel Lucent.

### ■ Partner Country Spain

One of the top five European high-tech markets, Spain is one of Germany's most important trading partners. Thanks to extensive experience in South America, Spanish companies are the ideal partners for collaborative ventures. A strong line-up which will have a major impact on CeBIT 2010 – and pave the way to new contacts. Push your business!
