RENE X 2010

International Trade Fair for Renewable Energy Resources, Energy Efficiency, Water, Water Treatment, Environmental and Fluid Control Technologies

Your Benefits:

- Renex is the only exhibition in Turkey that unites all ranges of the renewable energy.
- It presents an excellent opportunity for companies to present energy-related products and services to the Turkish market that contains a large unused potential for the use of renewable energy.
- Located in Istanbul the Business Capital in Turkey allows access to small, medium and bigger sized enterprises.
- The venue's proximity to the international airport and city center makes a perfect place to gather the professionals from all over the world.
- With long-term experience of Deutsche Messe and Hannover-Messe Sodeks Fuarçılık professional and high-quality services are guaranteed.
