NEW JERSEY TECHNOLOGY COUNCIL Customized Delegation Package

Join a delegation of NJTC members to CeBIT, the digital industry's **biggest, most international event**. Thanks to its unique combination of exhibition, conferences, keynotes, corporate events and lounges, CeBIT represents an unrivaled tool for doing business and sealing deals. This customized delegation package features the following:

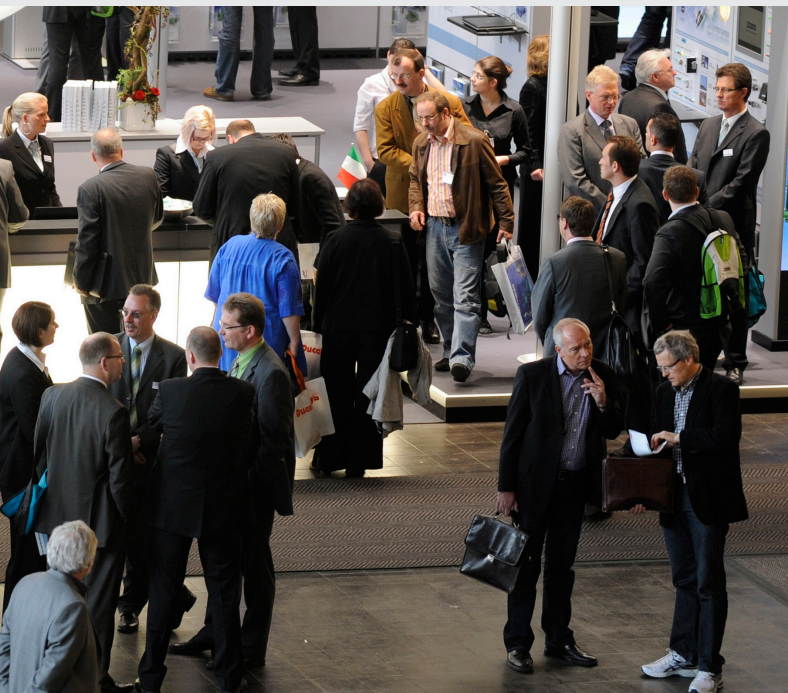

- Free admission to CeBIT 2011 for three days of the event (March 1-3)
- Tailor-made 3 day delegation program, which includes delegation orientation meeting to introduce personalized agenda and the fairgrounds
- Participation in the official opening ceremony and networking ceremony.
- Participation in all conferences and forums taking place in conjunction with the fair.
- Participation in a wide variety of day & evening networking events.
- Access to the event matchmaking platform
- Customized guided CeBIT Tours
- Fast lane entry on all days of the event
- Shuttle service around the trade fair site, which occupies approximately one million square meters
- Access to Premium Lounges (free snacks, beverages and internet access)
- Access to Visitors Lounges with PC WorkStations and refreshments.

All NJTC members will receive this exclusive package, valued at \$900 as part of the customized package. Customized package also includes economy airfare (from Newark), lodging, local transportation and breakfasts.

The delegation will lead by John Guthrie, a consultant with many contacts in Europe who has lead several delegations to CeBIT in the past. Delegation will depart on Saturday, February 26th (with a Sunday layover in Munich) and return on Friday, March 4th.

*This package is only available to international visitors.

Become part of the NJTC delegation to the leading international showcase for digital IT and telecommunications solutions.
