SATCOM Decision Process

Building a Long-Term Partnership

- Leverage Current and Future Global Commercial Satcom
 - Meaningfully integrate commercial satcom into DoD policy
- Plan, Budget and Contract with Commitment
 - Plan for commercial satellite services as part of the system
 - Contract to invite investment and innovation
 - Resolve the “Free v Fee” issue
- Leverage Commercial Timelines to Increase Flexibility
 - Predictable access to space in ≤ 36 months
 - Mission augmentation through hosted payloads
